PLANS DEDICATED TO YOUR NEEDS

We offer a range of plans for:

- Retirement and Pensions
- Education Fees
- Savings
- Tax Efficient Investment

Retirement and Pension Plan

Ensure your future is financially stable and worry free for both yourself and your loved ones. If you want to be financially independent during your retirement, start saving today.

Education Fee Plan

Education fees at international schools and universities are rapidly increasing. Regular payments today can provide a lump sum for your child's education; giving your child the best possible opportunity to succeed.

Savings Plan

Regular savings can help you to realise your dreams. Set flexible savings targets for your future car, yacht, family wedding or luxury apartment.

We offer Transparency and Independent Advice

As Hong Kong's leading personal insurance broker we work with all of the world's leading insurance companies and banks. We will provide you with clear, understandable information so you can make the right informed investment decision.

We understand the need for Portability

The plans that we offer are global. So no matter where you move to in the future, your financial plans don't need to change and there is one less thing to worry about. Most major currencies are also accepted, facilitating any international move you may make.

**CONFIDENTIAL FINANCIAL ADVICE
DEDICATED TO MEETING YOUR
FINANCIAL GOALS**

We provide Flexibility

At certain times your income may be needed elsewhere. Our policies can give you the flexibility to react to unforeseen life changes; defer payments, increase or decrease your premiums, make lump sum additions and even withdrawals.

We are Hong Kong's most successful personal insurance broker. We are customer focused and provide personalised professional advice.

Foreign Property Investment Plans

Advice on the acquisition and financing of foreign investment properties in South East Asia, Europe, Australia and the Middle East.

Tax Efficient Investment Plans

By correctly managing your savings and investments, you can minimise your exposure to income and inheritance tax.

We give you Access to Global Markets

With a wide range of funds from some of the world's top portfolio managers, you have the chance to invest through regular savings without incurring the broker and transaction costs associated with direct access.

We Protect you

Cover can be built-in to guard against death or inability to pay your premiums; giving you protection for the things that are important to you and your family.
